

Her Majesty's Theatre COVIDSAFE PLAN 2021

HER MAJESTY'S THEATRE

19th November, 2021

Version 1.4

**CITY OF
BALLARAT**

The City of Ballarat is committed to delivering COVIDSafe events in Her Majesty's Theatre. Our priority is the welfare, health and safety of our patrons, staff, hirers and performers and all who interact and engage with us.

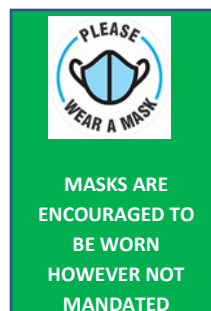

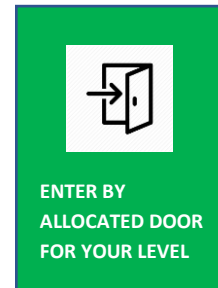

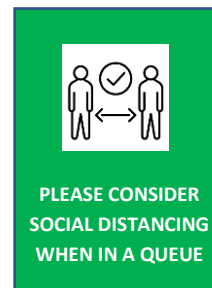

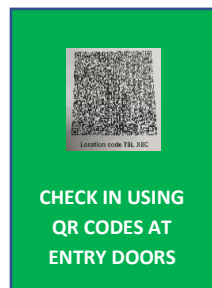

As of the 19th November 2021 the staff and management will follow the State Government guidelines and directions to best provide a safe environment:

- We will limit access to the venue to only those who can provide evidence of double vaccination or exemption.
- We will limit prospects of transmission by requesting appropriate physical distancing, hand sanitising, complying with the wearing of personal protective equipment and reducing unnecessary touching of surfaces throughout the building.
- We will record all visitors check in details to the venue through the Service Victoria App.
- We insist patrons, hirers, contractors, performers and staff remain home if unwell.
- We will continue cleaning practices throughout Her Majesty's Theatre.
- We will continue to promote good hygiene and personal health awareness by patrons, hirers, contractors, performers and staff.
- We will continue to provide the means to educate patrons and staff on COVIDSafe measures and monitor compliance.

We have made some important changes to our venue to assist in keeping our patrons, contractors, hirers and staff safe. *The guidelines below are subject to change at any time in accordance with the latest public health advice from the Victorian State Government.*

Please note. It is a condition of entry that you meet vaccination requirements.

Entry will not be granted if you cannot provide proof of vaccination or exemption.

Our Covid Safe Plan

Her Majesty's Theatre operates under the guidance of the City of Ballarat and the Victorian Department of Health & Human Services (DHHS). We take advice from relevant authorities on how to manage the impact of COVID-19 as events, staff and patrons return to Her Majesty's Theatre.

We are ensuring all those who work at and visit Her Majesty's Theatre are informed and supported with the information and resources to remain COVIDSafe.

We have implemented a range of measures and procedures to enhance our security and safety throughout Her Majesty's Theatre and rely on all who use our venue (including staff, hirers, contractors and patrons) to follow COVIDSafe guidelines and restrictions.

We have outlined processes and systems in our COVIDSafe Plan that allow for effective contact tracing if there is a COVID-19 infection identified at an event.

We continue to engage with Council risk and safety officers and work within the Council's overarching COVIDSafe Plan to ensure our plan reduces the risk of transmission and enhances safety as reasonably practicable.

Each hirer of Her Majesty's Theatre is required to develop their own COVIDSafe Plan for the management of their events and if necessary, the developed COVIDSafe Plan must align with the Victorian Government's Guidelines and Directions. This is a requirement for every event held at Her Majesty's Theatre.

All hirers are required to provide formal confirmation that cast and crew in attendance at Her Majesty's Theatre Ballarat meet Government directions pertaining to vaccination with respective certificates cited by the Hirer. The Hirer is prepared to provide such evidence upon request by the relevant authority.

All plans are reviewed and retained by the City of Ballarat prior to the event.
